

On-Line Sessions – Help Sheet

Wimborne Guitars is now running on-line sessions. The sessions are available to all Wimborne Guitars members. If you are not already a member, you can join by paying a yearly membership fee of £12. You will then have access to all of the material in the Members' section of the Wimborne Guitars web site. I will add your email address to our circulation list, so you will then receive information about all the upcoming sessions and other guitar-related news.

The on-line sessions will be run in much the same way as our group sessions, each session lasting for one hour and costing £5. Payment for each session is to be made in advance, via bank transfer to the bank account shown at the end of this help sheet.

Sessions will be advertised beforehand, but will generally follow a set weekly pattern with fixed times, so you'll know what's likely to be happening every week.

The Wimborne Guitars YouTube channel

Our YouTube channel is free to view for everyone. Please go to the channel, then click the **SUBSCRIBE** button. Then click on the bell symbol for "all notifications" so you'll be told when a new video is available. You can find the channel at: <https://www.youtube.com/channel/UCqnDmYvXDzf7TZlpGcjQgyQ>

Getting prepared for on-line sessions

To join the sessions, you will need to download the Zoom video conferencing software. This can be done on computer, tablet or smartphone. There is a dedicated app for tablet and smartphone and a web site which works for everything. Follow the steps below to get started.

1. Go to the Zoom web site: <https://zoom.us/>
2. Click on the **SIGN UP, IT'S FREE** button.
3. Enter your email address.
4. Click **CONFIRM**.
5. Enter your details and a password.
6. You can skip the step about inviting a colleague if you wish.
7. You will receive an email with a confirmation of address link. Once you've clicked the link, you can go straight to your membership page.
8. You will need a device with a microphone, camera and speakers. Better still, use headphones or ear buds as they will help to prevent feedback during the sessions.
9. If you don't have a microphone or camera on your computer, don't worry! You can still join the sessions and listen and see what's happening.
10. To join a session, you will need the access code (which is published in the weekly Wimborne Guitars emails) and the passcode (which is the same for all paid sessions). I will send you the passcode after I have received payment. Here is a helpful video which shows you what to do.

Getting help

Please just contact me if you have questions about anything in this help sheet.

Payment for annual membership and sessions

All payments may be made via bank transfer to my personal account. I will send you the account details on request. Please include your name in the reference section of your payment. Having made the payment, please send me an email telling me how much you have paid and which sessions you want to cover with your payment. I will then send you the session log-in details and passcode by return email. You can then use these log-in details for your selected sessions. Please note that each session will have a unique log-in code, but the passcode is the same for all paid sessions.

Bank account details for all payments

Please email the address below to request details.
